In the Drawings:

Figure 2 has been amended to include resistors R_1 , R_2 , ..., R_n coupled to corresponding switching transistors F_1 , F_2 , ..., F_n . In addition, Figure 3 has been similarly amended for consistency. New formal drawings incorporating the amendments are enclosed. Also enclosed are marked-up drawings incorporating the amendments with the amended items circled in red. The resistors were described by original claim 10. No new matter has been added by means of the drawing amendments.

Applicants respectfully request that the new formal drawings be entered.
